

EXTRADANZA

Join EXTRADANZA 2025!

Be part of an extraordinary event celebrating dance in all its forms! Taking place on Saturday, July 26, 2025, starting at 5:00 PM, EXTRADANZA is a one-of-a-kind event organized by Bolzano Danza Festival in collaboration with SKI - Südtiroler Kulturinstitut, which coordinates the Festival's Workshop section.

What is EXTRADANZA?

A vibrant celebration of dance - a gathering of performances, encounters, and shared experiences open to dance schools, amateur groups, local associations, artists, and choreographers.

The event will feature three performance areas showcasing a variety of dance styles through free performances and audience participation: from flamenco to Afro-Caribbean, lindy hop to jazz, Schuhplattln to modern dance... and much more!

Each group will have 30 minutes to bring their passion for dance to life.

There are no creative limits - express your style and engage the audience in an unforgettable experience!

Why participate?

- Dance alongside a vibrant community of performers.
- Celebrate the rich diversity of dance in a truly inclusive and unique event.

- A maximum 30-minute performance, including a choreographed piece and an interactive session to engage the audience.
