

EXTRADANZA

CALL

Participate in EXTRADANZA 2026!

Join an extraordinary event that celebrates dance in all its forms! Following the great success of the first edition in 2025, which involved over 200 artists and more than a thousand spectators, EXTRADANZA returns.

On Saturday, July 18, 2026, starting at 5:00 PM, the scenic Talvera meadows in Bolzano will host this unique project. The event is organized by the Bolzano Danza | Tanz Bozen Festival in collaboration with SKI - Südtiroler Kulturinstitut, which coordinates the Festival's Workshop section.

What is EXTRADANZA?

It is a great celebration of dance, a moment for meetings, performances, and sharing, open to dance schools, amateur groups, local associations, and artists.

The day will be animated by three stations hosting performances dedicated to different styles of dance and audience engagement: from flamenco to Afro-Caribbean, from Lindy Hop to jazz, from Schuhplattln to modern dance... and much more! Each group will have a maximum of 20 minutes to share their passion with the audience. There are no limits to creativity: propose your style and involve the spectators in an unforgettable afternoon!

Why participate?

- You will have fun dancing together with many people!
- We will celebrate the diversity of dance together in an inclusive and unique event.
- You will actively participate in the only Italian stage of a project inspired by the famous "1 km de danse" by the Centre National de la Danse in France.

Who can participate?

The call is open to all dance schools, amateur groups, associations, and artists resident in Trentino-Alto Adige/Südtirol.

What are we looking for?

- Performances of maximum 20 minutes capable of actively involving the spectators.

- Proposals suitable for an outdoor space, even without a stage and/or dance floor.
- Teams preferably up to a maximum of 10 participants.

What do we offer?

- The opportunity to perform in iconic spaces of the city in front of a wide and diverse audience.
- Visibility within the Festival's official communication.
- Organizational and technical support with a sound system.
- The chance to enter the heart of the 42nd edition of the Bolzano Danza | Tanz Bozen Festival.

How to apply?

Submit your proposal by March 15, 2026, via the online form, including:

- The proposed dance style.
- The total duration of the performance (maximum 20 minutes including entrance and exit from the stage).
- The number of participants and their ages.
- A short presentation video and/or a video of the artistic proposal.
- A brief description of your idea to involve the audience.

Participation is free and on a voluntary basis; no fees or insurance coverage are provided by the organizer.

Selection and Communication

Groups will be selected directly by the artistic directors of the Bolzano Danza Festival, Anouk Aspisi and Olivier Dubois, together with Sharon Booth, director of the Workshop section. Results will be communicated by April 15, 2026.

Bring your energy, creativity, and passion: let's make this day a magical moment for everyone!
